No substantial part of the activities of the Corporation shall be the carrying on of propaganda or otherwise attempting to influence legislation, and the Corporation shall not participate in, or intervene in (including the publishing or distribution of statements), any political campaign on behalf of, or in opposition to, any candidate for public office. Notwithstanding any other provision of these articles, the Corporation shall not carry on any other activities not permitted to be carried on (a) by a corporation exempt from the federal income tax under section 501(c)(3) of the Internal

#### ARTICLE XII.

The provisions of this Article XI shall be in the nature of a contract between the Corporation and each of its directors and officers made in consideration of such person's continued service to the Corporation. The protection afforded to each director or officer by the provisions of this Article XI shall survive such person's term of office or employment. This Article may not be repealed, nor may the benefits to the directors and officers afforded hereby be diminished, except as to liability accruing in respect of acts or omissions occurring after the date of such repeal or modification. The Corporation shall hold harmless and indemnify each director and officer to the fullest extent authorized or permitted by the provisions of Chapter 355 of the Missouri Revised Statutes, as amended, or the provisions of Subsections 1 through 6 and 9 through 11 of Section 351.355, Missouri Revised Statutes, as amended, or any other or additional statutory provisions which are hereafter adopted authorizing or permitting such indemnification. It is the policy of the Corporation that indemnification of directors and officers under this Section be made to the fullest extent authorized or permitted by law and, to this end, the provisions of this Article shall be deemed to have been amended for the benefit of those directors and officers of the Corporation entitled to indemnification under this Article effective immediately upon any modification of the Missouri Revised Statutes or any other law that expands or enlarges the power or obligation of corporations to indemnify their directors and officers. In addition to the foregoing:

A. The Corporation will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative, other than an action by or in the right of the Corporation, by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and

reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

B. The Corporation will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees and amounts paid in settlement, actually and reasonably incurred by him in connection with the defense or settlement of the action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Corporation unless and only to the extent that the court in which the action or suit was brought determines upon application that, despite the adjudication of liability and in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

C. To the extent that a director, officer, employee or agent of the Corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Sections A and B of this Article, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the action, suit or proceeding.

D. Any indemnification under Sections A and B of this Article, unless ordered by a court, shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in this Article. The determination shall be made by the Board of Directors who were not parties to the action, suit or proceeding, or if such a quorum is not obtainable, or even if obtainable a quorum of disinterested directors so directs, or by independent legal counsel in a written opinion.

E. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Corporation in advance of the final disposition of the action, suit or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Corporation as authorized in this Article.

F. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such person.

G. The Corporation may give any further indemnity, in addition to the indemnity authorized or contemplated under this Article, including Section F, to any person who is or was a director, officer, employee or agent, or to any person who is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, provided such further indemnity is either (i) authorized, directed, or provided for in these Articles of Incorporation or any duly adopted amendment thereof or (ii) is authorized, directed, or provided for in any bylaw or agreement of the Corporation which has been adopted by a vote of disinterested directors of the Corporation.

H. Notwithstanding the foregoing subsections of this Article XI, no indemnity shall indemnify any person from or on account of such person's conduct which was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct.

I. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of this status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of this Article.

### ARTICLE XIII.

These Articles of Incorporation may be amended in the manner provided by law. Bylaws of the Corporation, consistent with these Articles, shall be adopted by the Board of Directors, and may be amended in the manner provided in such Bylaws.

### ARTICLE XIV.

The effective date of the document is the date it is filed by the Secretary of State of Missouri.

IN WITNESS WHEREOF, these Articles of Incorporation have been signed this 16th day of August, 1999.
